

parents. It allows young people to carry on their lives, and it allows the disabled to live an independent and productive life because of the Social Security benefit.

It is important that this debate be full of a factual content. It is not political. It is not Republican. It is not Democratic. It is really an American debate on how we want to take care of those most needy. What kind of separate umbrella do we provide? Do we eliminate the opportunity for 401(k)? Absolutely not. Private savings account? It is your choice.

Those who are in the generation under 45, under 50 have every right to establish their own private savings account, but it is not a place for Social Security. Social Security stands on its own feet as an investment in those in America, for those who have worked hard and those who may have no other options. And I believe it is important that we maintain Social Security and not break the bank by taking almost a trillion dollars, a trillion dollars to put in a private savings account.

Mr. Speaker, I can assure you in our congressional districts, Republicans and Democrats alike are understanding this issue. They know that this is divide and conquer, and they know it is wrong. Social Security deserves to be saved.

I want to speak very quickly about this whole issue of low-performing schools and not educating America's workforce. The Governors over the past couple of days said that they are hesitant on putting No Child Left Behind in high schools because it is a problem. It is not working.

You can have regulations and yet have, if you will, no dollars; and that is what we are finding in Houston, Texas, the announcement of low-performing schools with no solutions. We are working in Houston, Texas, where the community has now come together, parents and others, forming caucuses around the idea of working to help those low-performing schools and give children an opportunity.

Mr. Speaker, regulatory entanglement is not the answer. Leave No Child Behind has left many children behind. We now have to get our hands involved, our hands on, and we have to work together as Americans but also as community people to ensure that our schools are working to educate our young people.

In Houston just a few days ago, we saw a terrible tragedy of a 6-month-old child abused, sexually abused, physically abused, huge bruises all over this child. This is an epidemic. First, I would like to thank the Texas Children's Hospital and Dr. Lyn in particular and all the doctors in the emergency room that now over the past couple of months have allowed this child to leave the hospital and go to a foster home.

Mr. Speaker, I think it is important to call for hearings here in the United States Congress. The Congressional

Children's Caucus will take up this issue to hold hearings, to hear from people around America of the epidemic of child abuse. If nothing else, an innocent child deserves the right to live a beautiful quality of life. The heinous and horrible people, parents or not, that would abuse a child both sexually and physically should be obviously put in the criminal justice system, and more importantly not be allowed to be able to have that child again.

We must protect our children, and I call for these hearings as well as legislation to stop the epidemic of child abuse.

#### COMMITTEE RULES OF PROCEDURE FOR THE 109TH CONGRESS

(Adopted February 10, 2005)

##### RULE 1—APPLICABILITY OF HOUSE RULES

The Rules of the House are the rules of the Committee on Veterans' Affairs and its subcommittees so far as applicable, except that a motion to recess from day to day is a privileged motion in Committees and subcommittees. Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee and to its rules so far as applicable.

##### RULE 2—COMMITTEE MEETINGS AND HEARINGS REGULAR AND ADDITIONAL MEETINGS

(a)(1) The regular meeting day for the Committee shall be at 10 a.m. on the second Wednesday of each month in such place as the Chairman may designate. However, the Chairman may dispense with a regular Wednesday meeting of the Committee.

(2)(A) The Chairman of the Committee may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purpose pursuant to the call of the Chairman.

(B) The Chairman shall notify each member of the Committee of the agenda of each regular and additional meeting of the Committee at least 24 hours before the time of the meeting, except under circumstances the Chairman determines to be of an emergency nature. Under such circumstances, the Chairman shall make an effort to consult the ranking minority member, or in such member's absence, the next ranking minority party member of the Committee.

##### WIRELESS TELEPHONE USE PROHIBITED

(b) No person may use a wireless telephone during a Committee or subcommittee meeting or hearing.

##### PUBLIC ANNOUNCEMENT

(c)(1) The Chairman, in the case of a hearing to be conducted by the Committee, and the subcommittee Chairman, in the case of a hearing to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of any hearing to be conducted on any measure or matter at least one week before the commencement of that hearing unless the Committee or the subcommittee determines that there is good cause to begin the hearing at an earlier date. In the latter event, the Chairman or the subcommittee Chairman, as the case may be, shall consult with the ranking minority member and make such public announcement at the earliest possible date. The clerk of the Committee shall promptly notify the Daily Clerk of the Congressional Record and the Committee scheduling service of the House Information Resources as soon as possible after such public announcement is made.

(2) Meetings and hearings of the Committee and each of its subcommittees shall be open to the public unless closed in accordance with clause 2(g) of House rule XI.

##### QUORUM AND ROLLCALLS

(d)(1) A majority of the members of the Committee shall constitute a quorum for business and a majority of the members of any subcommittee shall constitute a quorum thereof for business, except that two members shall constitute a quorum for the purpose of taking testimony and receiving evidence.

(2) No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee was actually present.

(3) There shall be kept in writing a record of the proceedings of the Committee and each of its subcommittees, including a record of the votes on any question on which a recorded vote is demanded. The result of each such record vote shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee. Information so available for public inspection shall include a description of the amendment, motion, order or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members present but not voting.

(4) A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member. With respect to any record vote on any motion to amend or report, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in the report of the Committee on the bill or resolution.

#### POSTPONING PROCEEDINGS

(e) Committee and subcommittee chairmen may postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment, and may resume proceedings within two legislative days on a postponed question after reasonable notice. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

#### CALLING AND INTERROGATING WITNESSES

(f)(1) Committee and subcommittee members may question witnesses only when they have been recognized by the Chairman of the Committee or subcommittee for that purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The 5-minute period for questioning a witness by any one member may be extended only with the unanimous consent of all members present. The questioning of witnesses in both Committee and subcommittee hearings shall be initiated by the Chairman, followed by the ranking minority party member and all other members alternating between the majority and minority. Except as otherwise announced by the Chairman at the beginning of a hearing, members who are present at the start of the hearing will be recognized before other members who arrive after the hearing has begun. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of the majority.

(2) Notwithstanding the provisions of paragraph (1) regarding the 5-minute rule, the Chairman after consultation with the ranking minority member may designate an equal number of members of the Committee or subcommittee majority and minority party to question a witness for a period not longer than 30 minutes. In no event shall the Chairman allow a member to question a witness for an extended period under this rule until all members present have had the opportunity to ask questions under the 5-minute rule. The Chairman after consultation with the ranking minority member may permit Committee staff for its majority and minority party members to question a witness for equal specified periods of time.

(3) So far as practicable: (A) each witness who is to appear before the Committee or a subcommittee shall file with the clerk of the Committee, at least 48 hours in advance of the appearance of the witness, a written statement of the testimony of the witness and shall limit any oral presentation to a summary of the written statement; and (B) each witness appearing in a non-governmental capacity shall include with the written statement of proposed testimony a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years.

(4) When a hearing is conducted by the Committee or a subcommittee on any measure or matter, the minority party members on the Committee shall be entitled, upon request to the Chairman of a majority of those minority members before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of the hearing thereon.

(i) The Chairman of the full Committee is directed to offer a motion under clause 1 of House rule XXII whenever the Chairman considers it appropriate.

#### RULE 3—GENERAL OVERSIGHT RESPONSIBILITY

(a) In order to assist the House in:

(1) Its analysis, appraisal, evaluation of (A) the application, administration, execution, and effectiveness of the laws enacted by the Congress, or (B) conditions and circumstances which may indicate the necessity or desirability of enacting new or additional legislation, and

(2) its formulation, consideration and enactment of such modifications or changes in those laws, and of such additional legislation, as may be necessary or appropriate, the Committee and its various subcommittees, consistent with their jurisdiction as set forth in Rule 4, shall have oversight responsibilities as provided in subsection (b).

(b)(1) The Committee and its subcommittees shall review and study, on a continuing basis, the applications, administration, execution, and effectiveness of those laws, or parts of laws, the subject matter of which is within the jurisdiction of the Committee or subcommittee, and the organization and operation of the Federal agencies and entities having responsibilities in or for the administration and execution thereof, in order to determine whether such laws and the programs thereunder are being implemented and carried out in accordance with the intent of the Congress and whether such programs should be continued, curtailed, or eliminated.

(2) In addition, the Committee and its subcommittees shall review and study any conditions or circumstances which may indicate the necessity or desirability of enacting new or additional legislation within the jurisdiction of the Committee or subcommittee (whether or not any bill or resolution has been introduced with respect thereto), and

shall on a continuing basis undertake future research and forecasting on matters within the jurisdiction of the Committee or subcommittee.

(3) Not later than February 15 of the first session of a Congress, the Committee shall meet in open session, with a quorum present, to adopt its oversight plans for that Congress for submission to the Committee on House Administration and the Committee on Government Reform, in accordance with the provisions of clause 2(d) of House rule X.

#### RULE 4—VICE CHAIRMEN

The Chairman of the full Committee shall designate the Vice Chairman of the Committee and a Vice Chairman of each subcommittee established under Rule 5(a)(1).

#### RULE 5—SUBCOMMITTEES

##### ESTABLISHMENT AND JURISDICTION OF SUBCOMMITTEES

(a)(1) There shall be four subcommittees of the Committee as follows:

(A) **Subcommittee on Disability Assistance and Memorial Affairs**, which shall have legislative, oversight and investigative jurisdiction over compensation; general and special pensions of all the wars of the United States; life insurance issued by the Government on account of service in the Armed Forces; cemeteries of the United States in which veterans of any war or conflict are or may be buried, whether in the United States or abroad, except cemeteries administered by the Secretary of the Interior; burial benefits; the Board of Veterans' Appeals; and the Court of Appeals for Veterans' Claims.

(B) **Subcommittee on Economic Opportunity**, which shall have legislative, oversight and investigative jurisdiction over education of veterans, employment and training of veterans, vocational rehabilitation, veterans' housing programs, readjustment of servicemembers to civilian life, and servicemembers civil relief.

(C) **Subcommittee on Health**, which shall have legislative, oversight and investigative jurisdiction over veterans' hospitals, medical care, and treatment of veterans.

(D) **Subcommittee on Oversight and Investigations**, which shall have oversight and investigative jurisdiction over veterans' matters generally, and over such matters as may be referred to the subcommittee by the Chairman of the full Committee for its oversight or investigation and for its appropriate recommendations. The subcommittee shall only have legislative jurisdiction over such bills or resolutions as may be referred to it by the Chairman of the full Committee. *Provided, however*, that the activities of the Subcommittee on Oversight and Investigations shall in no way limit the responsibility of the other subcommittees of the Committee on Veterans' Affairs for carrying out their oversight duties.

In addition, each subcommittee shall have responsibility for such other measures or matters as the Chairman refers to it.

(2) Any vacancy in the membership of a subcommittee shall not affect the power of the remaining members to execute the functions of that subcommittee.

(3) On each subcommittee, there shall be a ratio of majority party members to minority party members which shall be consistent with the ratio on the full Committee.

#### REFERRAL TO SUBCOMMITTEES

(b)(1) The Chairman of the Committee may refer a measure or matter, which is within the general responsibility of more than one of the subcommittees of the Committee, as the Chairman deems appropriate.

(2) In referring any measure or matter to a subcommittee, the Chairman of the Committee may specify a date by which the subcommittee shall report thereon to the Committee.

## POWERS AND DUTIES

(c)(1) Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full Committee on all matters referred to it or under its jurisdiction. Subcommittee chairmen shall set dates for hearings and meetings of their respective subcommittees after consultation with the Chairman of the Committee and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings whenever possible.

(2) Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the Committee, the Chairman of the subcommittee reporting the bill, resolution, or matter to the full Committee, or any member authorized by the subcommittee to do so shall notify the Chairman and the ranking minority party member of the Committee of the Subcommittee's action.

(3) A member of the Committee who is not a member of a particular subcommittee may sit with the subcommittee during any of its meetings and hearings, but shall not have authority to vote, cannot be counted for a quorum, and cannot raise a point of order at the meeting or hearing.

(4) Each subcommittee of the Committee shall provide the Committee with copies of such records of votes taken in the subcommittee and such other records with respect to the subcommittee as the Chairman of the Committee deems necessary for the Committee to comply with all rules and regulations of the House.

## RULE 6—TRANSCRIPTS AND RECORDS

(a)(1) There shall be a transcript made of each regular and additional meeting and hearing of the Committee and its subcommittees. Any such transcript shall be a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical, and typographical corrections authorized by the person making the remarks involved.

(2) The Committee shall keep a record of all actions of the Committee and each of its subcommittees. The record shall contain all information required by clause 2(e)(1) of House rule XI and shall be available for public inspection at reasonable times in the offices of the Committee.

(3) The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with House rule VII. The Chairman shall notify the ranking minority member of any decision, pursuant to clause 3 or clause 4 of the rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on written request of any member of the Committee.

EXCHANGE OF SPECIAL ORDER  
TIME

Mr. JONES of North Carolina. Mr. Speaker, I ask unanimous consent to claim the time of the gentleman from Indiana (Mr. BUYER).

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

## MARINE CORPS AND NAVY TEAM

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from North Carolina (Mr. JONES) is recognized for 5 minutes.

Mr. JONES of North Carolina. Mr. Speaker, I have introduced H.R. 34, which would expand the name of the Department of the Navy to be Navy and Marine Corps.

Mr. Speaker, we have four services that stand alone that represent the greatness of our men and women in uniform, the Army, the Navy, the Air Force and the Marine Corps. Mr. Speaker, all these services have great heritage and great history. The Marine Corps and the Navy are a team. Both are separate under the Department of Navy. The Marine Corps is not part of the Navy. The Navy is not part of the Marine Corps. It is under the Department of the Navy.

Mr. Speaker, I think it is important to recognize that the four services should be appreciated and recognized separately. I think it is important that the Marine Corps and the Navy, which are a team and remain a team, that the coach of the team, in this case which is the Secretary of the Navy, carry the name Secretary of Navy and Marine Corps.

Mr. Speaker, this is the third year that this bill has been introduced. Each year the House in a bipartisan way sends this bill over to the Senate, but so far the other body has not been willing to accept the House position. Already we have close to 70 Members, both Republican and Democrat, who have joined me again in H.R. 34 to expand the name of the Department of the Navy and Marine Corps.

Mr. Speaker, let me share with you some of the comments from those who have served, the first one being Wade Sanders, who in 1993 to 1998 served as the Deputy Assistant Secretary of the Navy for Reserve Affairs. I want to read from his letter:

"As a combat veteran and former Naval officer, I understand the importance of the team dynamic, and the importance of recognizing the contributions of team components. The Navy and Marine Corps team is just that, a dynamic partnership, and it is important to symbolically recognize the balance of that partnership."

Let me also read a letter from the former commandant of the United States Marine Corps, General Charles Krulak: "I heartily endorse this bill as an initiative that appropriately honors all of the superb men and women of the Naval Service, sailors and Marines."

Mr. Speaker, very quickly, from the Fleet Reserve Association, which is made up of Navy, Marine Corps and Coast Guardsmen: "And, finally, the Corps as the second most senior armed service should receive the honor it truly deserves, equitable distinction among the military departments in the U.S. defense structure. Recognizing the Corps as an equal partner in a new Department of the Navy and Marine Corps gives the Marines the distinction and esteem they truly deserve."

Mr. Speaker, let me close by pointing out why I believe this is so important. To my left is a blow-up of the citation of the Silver Star presented to the fam-

ily of a Marine who was killed at Nasiriyah. His name was Michael Bitz.

Mr. Speaker, as you can see at the top, it was in the official heading, the Secretary of the Navy, Washington, D.C. and there is a Navy flag. Mr. Speaker, the Navy and the Marine Corps are a team, and this headline should be as a team.

Let me show you, Mr. Speaker, when I take down the order and we had the graphic department to work with us on this. Let me show you just how dynamic this team is, this Marine who gave his life for his country, and his family received the Silver Star, tell me 15 years down the road, Mr. Speaker, when his children look up at their daddy and their daddy gave his life for this country and he was a Marine. If this was hanging on the wall, the Secretary of the Navy and Marine Corps with the Navy flag and the Marine flag, the team, Mr. Speaker, would that child not be proud of his daddy to know that his father died for this country and he was recognized as a Marine in the heading, Secretary of Navy and Marine Corps?

Mr. Speaker, I intend to come down on the floor at least once a week for the next few weeks and try to get more and more of my colleagues, both Republican and Democrat, to co-sponsor this legislation with me. It is time that the Marine Corps be treated equally and fairly. There are four services, which the Congress has said twice over the last 30 years. We have four services: Marine Corps, Army, Navy, and Air Force. It is time that the Department of the Navy carry the name Navy and Marine Corps.

With that, Mr. Speaker, I want to close by asking God to please bless our men and women in uniform and to bless their families. I ask God to please bless the families who have given a child dying for freedom in Afghanistan or Iraq.

Mr. Speaker, I close by asking God three times, please, God, please, God, please, God, continue to bless America.

STOP DENIAL OF ARMENIAN  
GENOCIDE BY TURKEY

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from New Jersey (Mr. PALLONE) is recognized for 5 minutes.

Mr. PALLONE. Mr. Speaker, Ambassador Evans, the U.S. Ambassador to Armenia, recently when meeting with Armenian Americans during visits in several U.S. cities referenced the Armenian genocide. In a series of public statements, Ambassador Evans who has studied Russian history at Yale and Columbia and Ottoman history at the Kennan Institute stated, "I will today call it the Armenian Genocide."

Mr. Speaker, Ambassador Evans' statements did not contradict U.S. policy, but rather articulated the same message that the Bush administration has sent to the public, the only difference in this case is that Ambassador
